TOP FLIGHT SPECIAL PROGRAMS

Recreational Team

Group A — 2nd thru 4th grade
Group B — 5th thru 12th grade

Members of Rec Team A and B will be prepared to compete in the USAG Xcel program. Girls will learn USAG Levels I through IV and work through Level V compulsory skills. 2 days a week for 1½ hours (3 days a week available.) Members of Rec Team B also have the option to compete in the USAG Xcel program. See the Rec Team B brochure for details.

USAG Xcel Program

(5th grade and up)

The team focuses on instructing girls in acquiring the skills necessary for competing in the Xcel program. As a part of Recteam B, gymnasts may opt to join the Xcel program (with team director's permission). 2 to 3 days a week for 2 hours. Three days a week required from January through May.

Tumbling for Middle and High School Boys and Girls

(6th grade and up)

The class is arranged to provide group instruction in tumbling, and trampoline. 1 day a week for 1 hour.
(Teacher/student ratio 1:8)

Preteams & Competitive Girls and Boys Teams

Specialized pre-competitive programs which follow USAG developmental programs progressing to competitive boys/girls teams Levels 1–10. See Team Brochure for details.

WHY GYMNASTICS?

We believe gymnastics is the most complete physical activity available to today's youth. Physical activity promotes the increase of strength, flexibility, coordination, confidence, and courage. Each benefit can assist children in the development of a healthy and active body which in turn promotes a healthy mental and emotional approach to life.

We offer an environment for children where physical fitness is enjoyable and comes naturally from having fun.

RECREATIONAL PROGRAMS

Parent and Child

(18–36 months)

This 40-minute class is designed to allow the parent an opportunity to assist the child in enhancing the development of motor skills, rhythms, and simple gymnastics skills. Incorporated in weekly lessons is the use of all gymnastics equipment including trampolines, balance beams, bars, rings, and creative climbing equipment.

Teacher/student ratio 1:10

Preschool

(3 and 4 years)

This 45-minute class offers movement experiences for young children on equipment scaled to their size. A variety of gymnastics skills are taught while emphasizing safety, listening skills, and the correct use of trampolines, vault, balance beams, rings, and bars.

Teacher/student ratio 1:6

Fit and Five

(Children 5 years old or in kindergarten)

This one-hour class promotes basic gymnastics skills on all apparatus and challenges students with fun learning activities. The program continues to develop coordination, strength, and flexibility while enhancing self-esteem through accomplishments.

Teacher/student ratio 1:8

Fit and Five Invitation

(Children 5 years old or in kindergarten)

This is a 1¼ hour invitation-only class. Selections will be made periodically through the year.

Teacher/student ratio 1:8

Girls or Boys Beginner

(1st–3rd and 4th grade and up)

This one-hour a week program is the next step from the Fit and Five class. It is also for students with minimal gymnastics experience.

Teacher/student ratio 1:8

Girls Advanced Beginner

(1st–3rd grade and 4th grade and up)

This one-hour a week class is for girls who have had at least one year of Beginner gymnastics at Top Flight and are looking to move to the Intermediate Program.

Teacher/student ratio 1:8

Girls Intermediate I

(1st–3rd and 4th grade and up)

A more advanced one-hour class that requires students to be able to perform a handstand forward roll, a bridge kickover, and a headspring unassisted.

Teacher/student ratio 1:8

Boys Intermediate I

(all school age boys)

A more advanced one-hour class that requires students to be able to perform a handstand forward roll, a back extension roll, and a headspring unassisted.

Teacher/student ratio 1:8

Boys Invitational Class

(1st–3rd grade)

This 1½ hour per week class is for boys who have had at least one year boys beginners gymnastics at Top Flight and are looking to move to the Intermediate or Boys Preteam.

Teacher/student ratio 1:8
