How do I set up a meeting with the Team Director?

Direct any additional questions about the gym, the team, and their operation, to the Team Director. Call the gym at 410-992-1600 to set up an appointment during the day or on a weekend. The Team Director is available most weekdays between 3:00 and 4:00 pm.

## PHILOSOPHY

Top Flight Gymnastics offers classes for students 18 months of age through high school. The Top Flight Gymnastics Team Program wishes to allow each competitive gymnast the opportunity to excel and aspire to the greatest individual degree in the sport of gymnastics. Competitive gymnastics develops physical, mental, and emotional control which is beyond that rationally envisioned. The gymnast will develop strength, flexibility, coordination, and endurance through the program. Other benefits of competitive training are: self-satisfaction, kinesthetic awareness, a healthy body, an undaunted belief in one's self, and a disciplined approach to one's life.

Competition is an essential part of the gymnast's experiences in the program. Each gymnast will be involved in competition in accordance with his ability and age. The gymnast will then have the opportunity to advance in a step-by-step progression to higher competitive levels.

Team members will have the opportunity for experiences that would normally not be available to them. The discipline, skills, accomplishments, and friendships will carry over in many of life's endeavors.

## TOP FLIGHT AND CMGO Central Maryland Gymnastics Organization

Central Maryland Gymnastics Organization (CMGO) is an organization for parents and guardians of competitive and pre-competitive gymnasts at Top Flight Gymnastics that is dedicated to promoting competitive opportunities for all gymnasts and to supporting the training of gymnastic team members.

CMGO works in partnership with Top Flight Gymnastics to maintain state of the art training facilities for gymnasts on Top Flight's teams and represents Top Flight teams at hosted meets.

All parents and guardians of competitive and pre-competitive gymnasts on Top Flight teams are required to be members of CMGO and to meet the financial and time commitment requirements established by the organization. Top Flight Gymnastics establishes the parent participation requires for hosted competitions.

## GOALS OF THE TEAM PROGRAM

### General

1. To foster the growth and development of each gymnast by setting realistic goals which are achievable though challenging.
2. To provide opportunities for national travel through competitive experiences.
3. To provide opportunities for a gymnast to achieve a level of proficiency that would allow him to receive a college scholarship.
4. To help develop a rapport with the public which will nurture the growth of Top Flight Gymnastics Center, Inc.

### Pre-team A and Level 3/4

1. To allow boys age five to ten an opportunity to train towards a competitive level.
2. To have the gymnast compete (when ready) in a 7-9 meets so that he can learn to manage competitions.
2. To develop flexibility, strength, and correct body position.
3. To determine the limiting factors of each Preteamer and to evaluate him in accordance with the physical, mental, and emotional demands of competitive gymnastics.
4. To determine if the gymnast will be able and allowed to maintain a rigorous training schedule.
5. To determine if the parents and family of the gymnast can accommodate the demands of competitive gymnastics from a financial, emotional, and time commitment standpoint including CMGO responsibilities (see CMGO Handbook).

### Compulsory Competition (Levels 5-7)

1. To have the gymnast compete in a large number of meets so that he can learn to manage competitions.
2. To determine the speed at which a gymnast learns new skills.
3. To determine the potential for higher level optional competition.
4. To provide travel opportunities within Region 7.  
(Region 7 includes: DE, MD, NJ, NY, PA, VA, WV)
5. To introduce optional skills.
6. To qualify into state and regional competition in the USA Gymnastics program.

### Optional Competition (Levels 8-10)

1. To have the gymnast compete optional routines.
2. To learn optional skills in accordance with the gymnast's physical and emotional characteristics.
3. To progress towards a higher optional level.
4. To qualify into state, regional, and national competitions within the USA Gymnastics program.
5. To provide opportunities for national travel during the year.

## TEAM STRUCTURE AND ADVANCEMENT

USA Gymnastics is the governing body for youth gymnastics in the United States and Top Flight Gymnastics Center Boys Team will compete within this organization. There are seven levels in the Junior Olympic Boys Program - Level 4- Level 10. The gymnast is placed in an age group based on his age on September 1. Level 4 is our first competitive level at Top Flight. All of the subsequent levels are progressively more advanced. Beginning in Level 8 boys may start working on optional skills and compete with optional routines, depending on their age and ability. However, each level has compulsory routines and/or elements that must be mastered first.

<b>Levels</b>	<b>Age Groups</b>
<b>Level 10</b>	<b>15-16, 17-18 (State, Regional, Nationals)</b>
<b>Level 9</b>	<b>13-14(Nationals), 15-16, 17-18</b>
<b>Level 8 and JD</b>	<b>11-12(Level 8 Nationals), 13-14</b>
<b>Level 7</b>	<b>9-10, 11-12, 13 &amp; Over</b>
<b>Level 6</b>	<b>7-8, 9-10 and 11 &amp; over</b>
<b>Level 5</b>	<b>7-8, 9-10 and 11 &amp; over</b>
<b>Pre-team (Level 4)</b>	<b>6, 7-8, 9-10 and 11 &amp; over</b>

### Pre-team A and Level 4

Pre-team prepares gymnasts for entry into the competitive program. The Team Director makes Pre-team selections with respect to ability, desire, and potential. Pre-team may compete in the Level 4 program. The Pre-team program is a one to two year program and at the end of each year, the gymnast will be evaluated to see if he is ready to move to the competitive levels. Pre-team will be a continuous program running the full year except for Top Flight Gymnastic Center holidays.

### Compulsory Levels 5 to 7

Compulsory is the entry level for all competitive gymnasts. Compulsory gymnasts will compete compulsory routines only. The competitive season for these boys will be from October to April. Gymnasts compete in Invitational, Designated Qualifier (DQ), State and Regional meets.

## Optional Levels JD, 8, 9, and 10

The gymnasts will compete optional routines with varying degrees of difficulty depending on the level. Level 8 may compete Invitational, State, Regional and National (age 11-12 only) meets. Level 9 (age 13-14 only) may also compete Invitational, State, Regional, and National meets. Level 10 (ages 14-15 and 16-18) may compete all levels, including Invitational, State, Regional, and National meets.

## The Junior Elite Program

The junior elite program is an additional selection within the USAG Boys level 8, 9 and 10 program. This program is geared toward athletes wishing to qualify to USA Championships. It requires learning optional routines plus 6 additional technical sequences (compulsory routines).

## Advancing To A Higher Level

All advancements are at the discretion of the Team Director. He considers such factors as physical performance, attitude, and emotional maturity. When the Team Director judges the gymnast has demonstrated that he is ready to advance, he will discuss the decision first with the gymnast's parents and then with the gymnast.

## Advancing In Competition

Boys compete in Invitational Meets and Designated Qualifier (DQ) meets throughout the competitive season. DQs are used for Compulsory boys to qualify for the State Meet. Boys must attend at least one Designated Qualifiers and achieve minimum score standards in order to advance to the State Meet. Boys may continue striving for the minimum required scores at successive DQs throughout the season. Boys who achieve these minimum scores at the State Meet advance to Regionals. Optional boys who achieve minimum score standards at the Regional Meet advance to the National Meet. Requirements are subject to change by the State USAG Director.

## SCHEDULES

### Practice and Clinics

Scheduling of practices will be arranged to provide the best workout atmosphere for each gymnast.

During the summer, practice hours may be changed.

### Competition

The Team Director will make decisions concerning:

- When the team will attend or hold meets and exhibitions
- Who will compete

The gymnast will not compete until he is physically, mentally, and emotionally ready for competition. The coach will determine when this occurs. All gymnasts may attend local meets to ensure team camaraderie.

Decisions concerning competition will also be based on quality of routines before competitions, attendance, attitude and effort during practice and improvement.

Which event(s) each gymnast will compete (Floor Exercise, Pommel Horse, Rings, Vault, Parallel Bars, High Bar) will be determined by the Coach and the Team Director.

On occasion, a gymnast will not compete in the All Around (all events). The registration fees remain the same.

On occasion, a gymnast will not compete in a meet for which he is registered. Registration fees are non-refundable.

The following schedules for the 2021-2022 Season, including Summer 2021, are tentative. The Team Director reserves the right to make adjustments to the schedules at any time.

## PRACTICE ATTENDANCE AND BEHAVIOR

### Attendance

1. Attendance is expected at all practices.
2. Gymnasts should be in the gym no later than ten minutes before scheduled practice sessions.
3. Parents should expect to pick up their child on time at the conclusion of practice. Coaches prefer that gymnasts not leave practice early for any reason.
4. Absence for sickness. If a gymnast is too ill to attend practice, the parent should call and talk to the receptionist or leave a message stating the reason for the absence. Parents are also responsible for alerting the Team Director, by speaking with the receptionist, if the gymnast is taking any medications (over-the-counter or prescription) or complaining of any injury. In the case of any long-term illness, please consult with the Team Director.
5. Absence for homework – not school activities. Gymnasts need to utilize their time so conflicts between practice and studies rarely occur.
6. Coming to practice late and leaving early. **If a gymnast is going to be more than a ½ hour late to practice, please have them miss the practice. If a gymnast needs to leave practice early they should not come to practice.**
7. Absence due to injury – Injuries should be evaluated by a physician and/or physical therapist together with the Team Director. A prescribed rehabilitation program will be determined along with a training schedule. Long-term injuries will be evaluated and reviewed as necessary by the physician and coaching staff. It is still important for an injured gymnast to attend practice regularly.
8. During the competitive season (January through State or Regional Meet), it is suggested that the gymnast take no vacation time. During this time, it is imperative that the gymnast's workouts are regular and consistent.
9. Pre-season meets can be scheduled as early as October and participation is recommended but not mandatory. All gymnasts will be registered for these pre-season meets. If a child cannot attend a pre-season meet due to vacationing, the Meet Registrar must be informed as soon as possible, but no less than six weeks before that meet. This is no guarantee that you will not be charged for the meet, but we will try our best to get back your funds. If you are planning to take a

vacation time one week prior to a scheduled pre-season competition, the gymnast should not be registered for the meet if the Meet Registrar is notified in time.

10. Most meets are held on weekends, but on occasion a meet will be held on a Friday or Monday and the gymnast may have to miss school on that day.

### Practice Behavior & Rules

1. Improper types of behavior during practice or competition will result in disciplinary action. Examples of such behavior are:
  - Arguing with a coach
  - Breaking gym rules
  - Cheating
  - Lying
  - Unwillingness to complete assignments
  - Lack of proper practice attire
2. Discipline – Any of the above actions, depending on their severity and the gymnast’s history, can be dealt with by any of the following means:
  - Removal from activity or practice
  - Parental conference
  - Suspension from the team
  - Dismissal from the team
3. Neatness and Organization:
  - All gymnasts must keep their personal workout gear in a gym bag or their locker during practice. No unused gear should be left out in the practice area during or after practice.
  - Keep your locker clean, inside and out.
  - Gymnastics equipment must be replaced to its proper place after practice.
  - No water bottles are allowed in the gym except during summer workouts or with the Team Director’s permission. Absolutely no glass allowed in the gym.
  - During practice, water breaks are allowed only between events.
  - No food is allowed in the gym area.
4. Arrival at Practice – When teams arrive while classes are in session, the team members must wait quietly for the practice to begin. Gymnasts may stretch out

before practice as long as they do not interfere with classes. Gymnasts may not go on any equipment.

#### 5. Gymnast's Responsibilities –

- a. To attend scheduled practices
- b. To wear practice uniform and have long whites at all practices
- c. To have no jewelry on during practice
- d. To take shoes off when entering the practice area
- e. To strive for excellence in competitive gymnastics
- f. To be attentive to coaches and cooperative with coaching staff
- g. To complete all training assignments before leaving the gym (including strength and flexibility)
- h. To assist and cooperate with fellow teammates
- i. To be safety conscious for oneself and for fellow teammates
- j. To ask permission of a coach to use the phone
- k. To check personal mailboxes for notices each practice day
- l. To assist in cleaning/upkeep of gym
- m. To maintain good habits concerning proper diet and rest
- n. To refrain from the use of tobacco, alcohol, and illegal drugs
- o. To abide by all USAG regulations and the policies put forth in this manual

### PRACTICE ATTIRE

#### Personal Appearance

- All clothing/gear specified must be brought to each practice or kept in the locker.
- Items judged to be out of repair must be repaired or replaced.
- Clothing must be cleaned on a regular basis.
- Warm-up gear should fit snugly but should be stretchable. Competition pants should be worn for pommel horse.
- Sweaters, hooded clothing, and loose fitting or oversized clothing are not acceptable in practice.
- Do not bring items of value (clothing, jewelry etc.) to the gym.
- Competitive uniform leo, briefs, long whites, and warm-ups are for meets and exhibitions only and may not be worn to practice.

## Required Attire

Competitive style team practice uniforms (including Leo, Shorts, and Long whites) are required for all practices. They are ordered by CMGO for Preteam, Compulsory, and Optional boys and are paid for individually with the order. Ordering information and measurement guides are distributed to gymnasts before orders are placed near the beginning of the program year. Gymnasts joining mid-year will be given information to place their own order. One uniform of designated color is required on a designated practice night to be decided at the beginning of the program year. Additional quantities and colors may be ordered at the family's discretion. Until team attire has been received, gymnasts should use the following guidelines:

Shorts - No buttons, snaps or zippers or pockets  
Must be proper fitting, cotton & style designated by Team Director

T-shirt – Should be expendable  
Must be properly fitting, not oversized  
Must be worn tucked in

Running Shoes and athletic socks (white cotton)

Warm-up pants and jacket – Sweat suit style, cotton or nylon

Sweat pants should be tight fitting and have no pockets. Competitive style is recommended.

Long pants are needed for pommel work even in the summer.

Grips and wristbands – No Velcro, only buckle grips allowed. High Bar Grips and Ring Grips required by the time gymnast enters Level 6. To order grips, call DGS at 1-800-932-3339 or visit [www.gymsupply.com](http://www.gymsupply.com).

## COMPETITIVE ATTIRE AND BEHAVIOR

### Competitive Team Uniform

#### Competitive Team Uniform Includes:

Team competitive shirt (leo), shorts, and long whites

Team warm-up (jacket and pants)

White socks (no colored trim)

Gymnastic shoes, if desired

Wristbands (white)

High Bar and Ring grips (required for Level 6 and higher)

Gym Bag

\*No slip on sandals may be worn during competition, even before or between events!

\*\*No Cell Phones or texting are allowed during warm ups or competition.

1. All items considered part of the competitive team uniform must be brought to each competitive event. Only competitive uniform attire may be worn during any part of warm up, competition, or awards at all meets. Leos may not be removed during warm ups, competition, or awards at any meet.
2. Lost items must be replaced as soon as possible.
3. Items that are determined by the coach to be excessively worn, torn, stained, etc. must be repaired or replaced.
4. Items must be kept clean and fit properly.
5. Do not bring any food into the gym at any competition.

### Competitive Behavior

During competition, the gymnast must stay with the team at all times unless dismissed by the coach.

During competition, communication with parents is not allowed except in an emergency. Distractions can interfere with the gymnast's concentration and preparation for competitive routines.

Use of cell phones (including texting) and music devices are not allowed during warm ups or competition.

A gymnast will be removed from competition for any attitude problem or any injury that the coach feels would be unsafe or inappropriate in competition.

### Competitive Commitment

Team membership requires a commitment to attend ALL scheduled competitions. Meet schedules are established at the discretion of the Team Director and Team Coaches.

## Transportation

It is the parent's responsibility to provide transportation and lodging to and from meets.

## COMMITMENT TO TEAM

### Gymnast

To be a successful athlete, certain commitments must be realized and adhered to.

1. Attendance at all scheduled practices, clinics, and meets.
  - Practice from two to four days per week throughout the year. The athlete will need to train between four and sixteen per week.
  - Practice through the holidays during the competitive season. An athlete should be available for practice without interruption during the competitive season, January 1 through the State, Regional, or National meet.
  - Attend ALL scheduled competitions. Meet schedules are established at the discretion of the Team Director and Team Coaches.
2. Setting of individual goals including:
  - Improvement in strength
  - Improvement in flexibility
  - Improvement in cardiovascular fitness
  - Weight and diet control

Without continual improvement in these areas, progress in the sport will be minimized.

3. Top Flight Team Membership is a one-year commitment from June 1 to May 31. We believe that the parents and child should seriously discuss all aspects of gymnastics training and then make a one-year commitment. Children must learn the importance of honoring a commitment. It is a principle to be carried over into the adult world.
4. Before enrolling in the team program, each new prospective team member must complete a one-month trial period during which only the monthly tuition, membership and registration fee will be due

## Parents

All parents of Top Flight Team members must be responsible for supporting their gymnast in meeting their commitment to the team and for fulfilling financial, participation, and time commitments to the gym and the parent organization (CMGO) in a timely fashion.

### General

1. To be an active member of the parent organization (CMGO) and to attend all quarterly parent meetings. To meet both financial obligations and participation requirements to CMGO.

All members of CMGO have the following obligations:

#### Assessments

- Each family must meet a assessment requirement as established by the CMGO Executive Board each year in May.

#### Participation

- Attend quarterly general membership meetings
- Attend meet coordination/committee meetings and/or work sessions at hosted competitions (Top Flight Invitational)
- Participate in, and support, all CMGO sponsored events
- Work a required amount of time at Host meets, as determined by the Executive Board when our home meet schedule is finalized in October

Please refer to the CMGO Handbook for full details regarding the organization and parental obligations.

2. To assume all financial responsibilities and to fill out all appropriate forms when requested. Failure to meet financial deadlines (for commitments to Top Flight and CMGO) may result in your child's temporary suspension from practice and competitions until debt is cleared.
3. To assume responsibility for your child's attendance at practices and competitions. To make a sincere effort to get your child to all practices.

4. To call the Team Director if your child must miss practice due to illness and to alert the Team Director, through the receptionist, if your child is taking any medications (over-the-counter or prescription) or complaining of any injury.
5. To allow gymnast to complete all training assignments before leaving the gym, even if practice is running late.
6. Gymnasts age 9 or older may be dropped off for practice in the front or back of the gym. Gymnasts under the age of 9 should be escorted into the lobby by an adult. Gymnasts may not wait for their ride outside the gym building alone. Gymnasts must be picked up in the front of the gym.
7. Please do not try to gain the gymnast's attention from the waiting area. This practice is dangerous to all the gymnasts because it could lead to an interruption of concentration of any of the gymnasts. If there is an emergency or pressing situation, please contact the receptionist or the Team Director and we will send the gymnast out.
8. It is highly suggested to have a yearly physical exam for your child and have its results filled out on medical forms supplied by, and returned to the front office by May 31. Yearly Physical Exams are not required.
9. To be a positive influence on your child and the team.
10. To adhere to the policy that there is no smoking allowed at Top Flight Gymnastics Center, Inc.

### Competition

1. To help provide a positive atmosphere at all meets – no matter what the outcome.
2. To not communicate scores to the gymnasts during meets.
3. To never talk to judges during meets or directly following competition.
4. To avoid entering the competition area during a meet.
5. Remember that most parents become tense or nervous during competition. Although it can be difficult, if parents can remain at ease before and during competition, it can allow the gymnast to feel less stress, which can improve performance.
6. To provide transportation for your gymnast to and from meets.
